12. Planning

Council to discuss the following planning applications:

i. **DC/24/1069/FUL ****deadline for comments 10th September******

7 Mill Road Hengrave Suffolk IP28 6LR

Planning application - a. one dwelling b. outbuilding c. new access

Council shared neighbours concerns over location of drains through the site, and the shallow depth of these drains. Drawings appear inconsistent, showing two drive locations, two garage locations - which is correct? Street view scene doesn't look to be to scale with actual site - appear to suggest larger gaps between properties than in reality, especially significant being an infill plot. Previous application turned down in 2011.

Council resolved to OBJECT this application.

ii. **DC/24/1050/FUL**

Flempton Golf Course Bury Road Flempton Suffolk IP28 6EQ

Planning application - extension to storage building to create new greenskeepers shed (following demolition of existing storage building)

Council resolved to SUPPORT this application.

iii. **DC/24/0841/FUL**

Greyhound Inn The Green Flempton Suffolk IP28 6EL

Planning application - detached car port with link walls and garden room

Council objected on following grounds; proximity to church wall; changing/obstructing views of the church from The Green, detrimental impact in a conservation area.

Council resolved to OBJECT this application.

iv. **DC/24/0842/LB**

Greyhound Inn The Green Flempton Suffolk IP28 6EL

Application for listed building consent - detached car port with link walls and garden room

As above.

Council resolved to OBJECT this application.

13. Asset register

Council reviewed updated asset register and noted a good start, but more work needed before it can be adopted.

Action: Clerk to update asset register and add as an agenda item for the next meeting.

14. Insurance

Council to review insurance renewal quote from CAS for £378.48 to ensure correct level of cover

Council concerned that neither cover is entirely suitable or gives level required - especially for thatched bus stop roof.

Action: Clerk to get tailored quotation from insurance provider.

15. Carols on The Green

Council to discuss request for permission from organisers, including potential opening of Church for toilet facilities. Extra lighting and caps on guy ropes to mitigate H&S concerns. Request for PC funding, potential cost of event £400-500

Council concerned that risk assessments not in place, nor correct insurance, and that toilets, parking and power do remain to be major issues. Council suggested that organisers liaise with the church to hold the event there, where there are facilities and cover for inclement weather.

Council resolved that the carol service not be held on The Green.

Council resolved that a grant of £200 would be available towards the cost, payable to the church, if organisers were to hold a similar event at the church.

16. Correspondence

- i. Resident from The Links looking for clarity over ownership of a small piece of hedging
Clerk checked with Havebury, who didn't claim ownership. Went back to resident, suggesting that they look at their deeds.

17. .gov.uk domain and emails

Council to discuss moving to a .gov.uk domain name with associated email addresses for all Councillors. Costs (incorporating governments £100 funding): £10 for domain registration for 3 years and circa. £25 per month for up to 50 email addresses. New website circa £750
