

Appendix #1

Key:

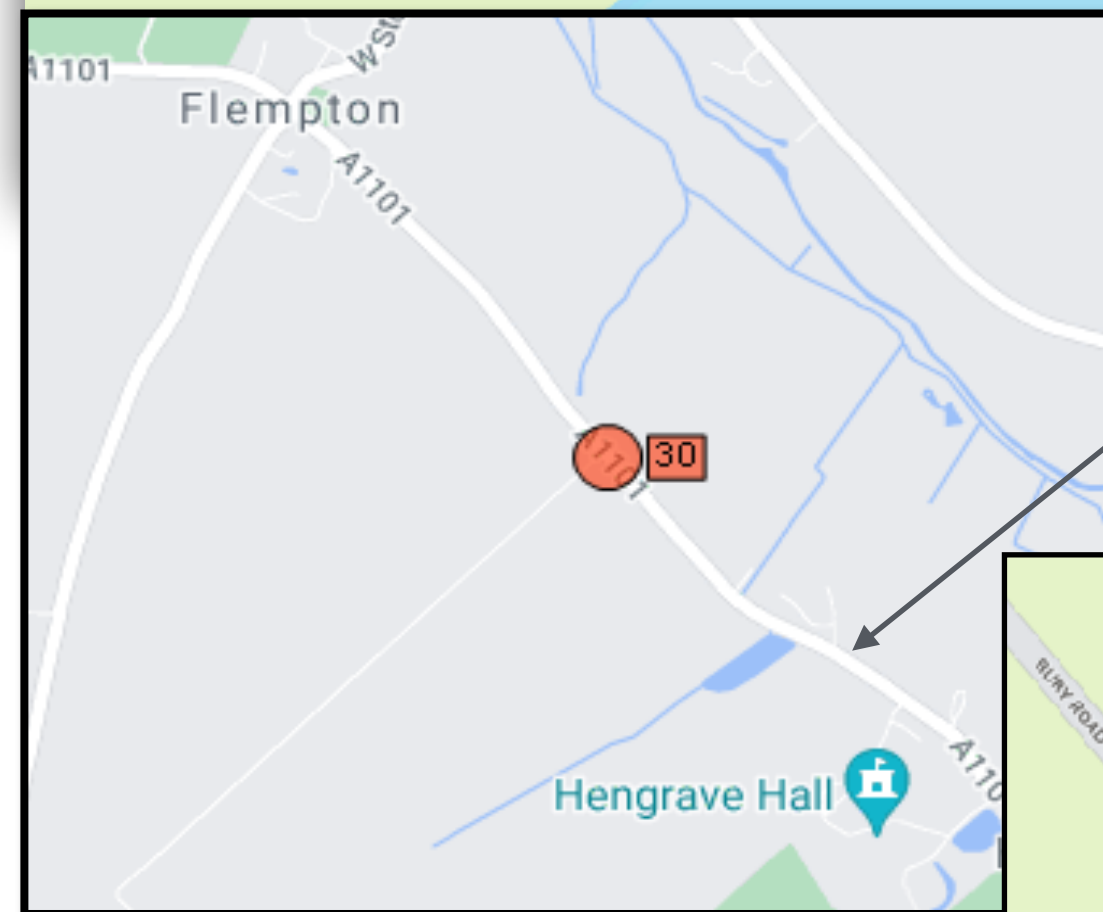

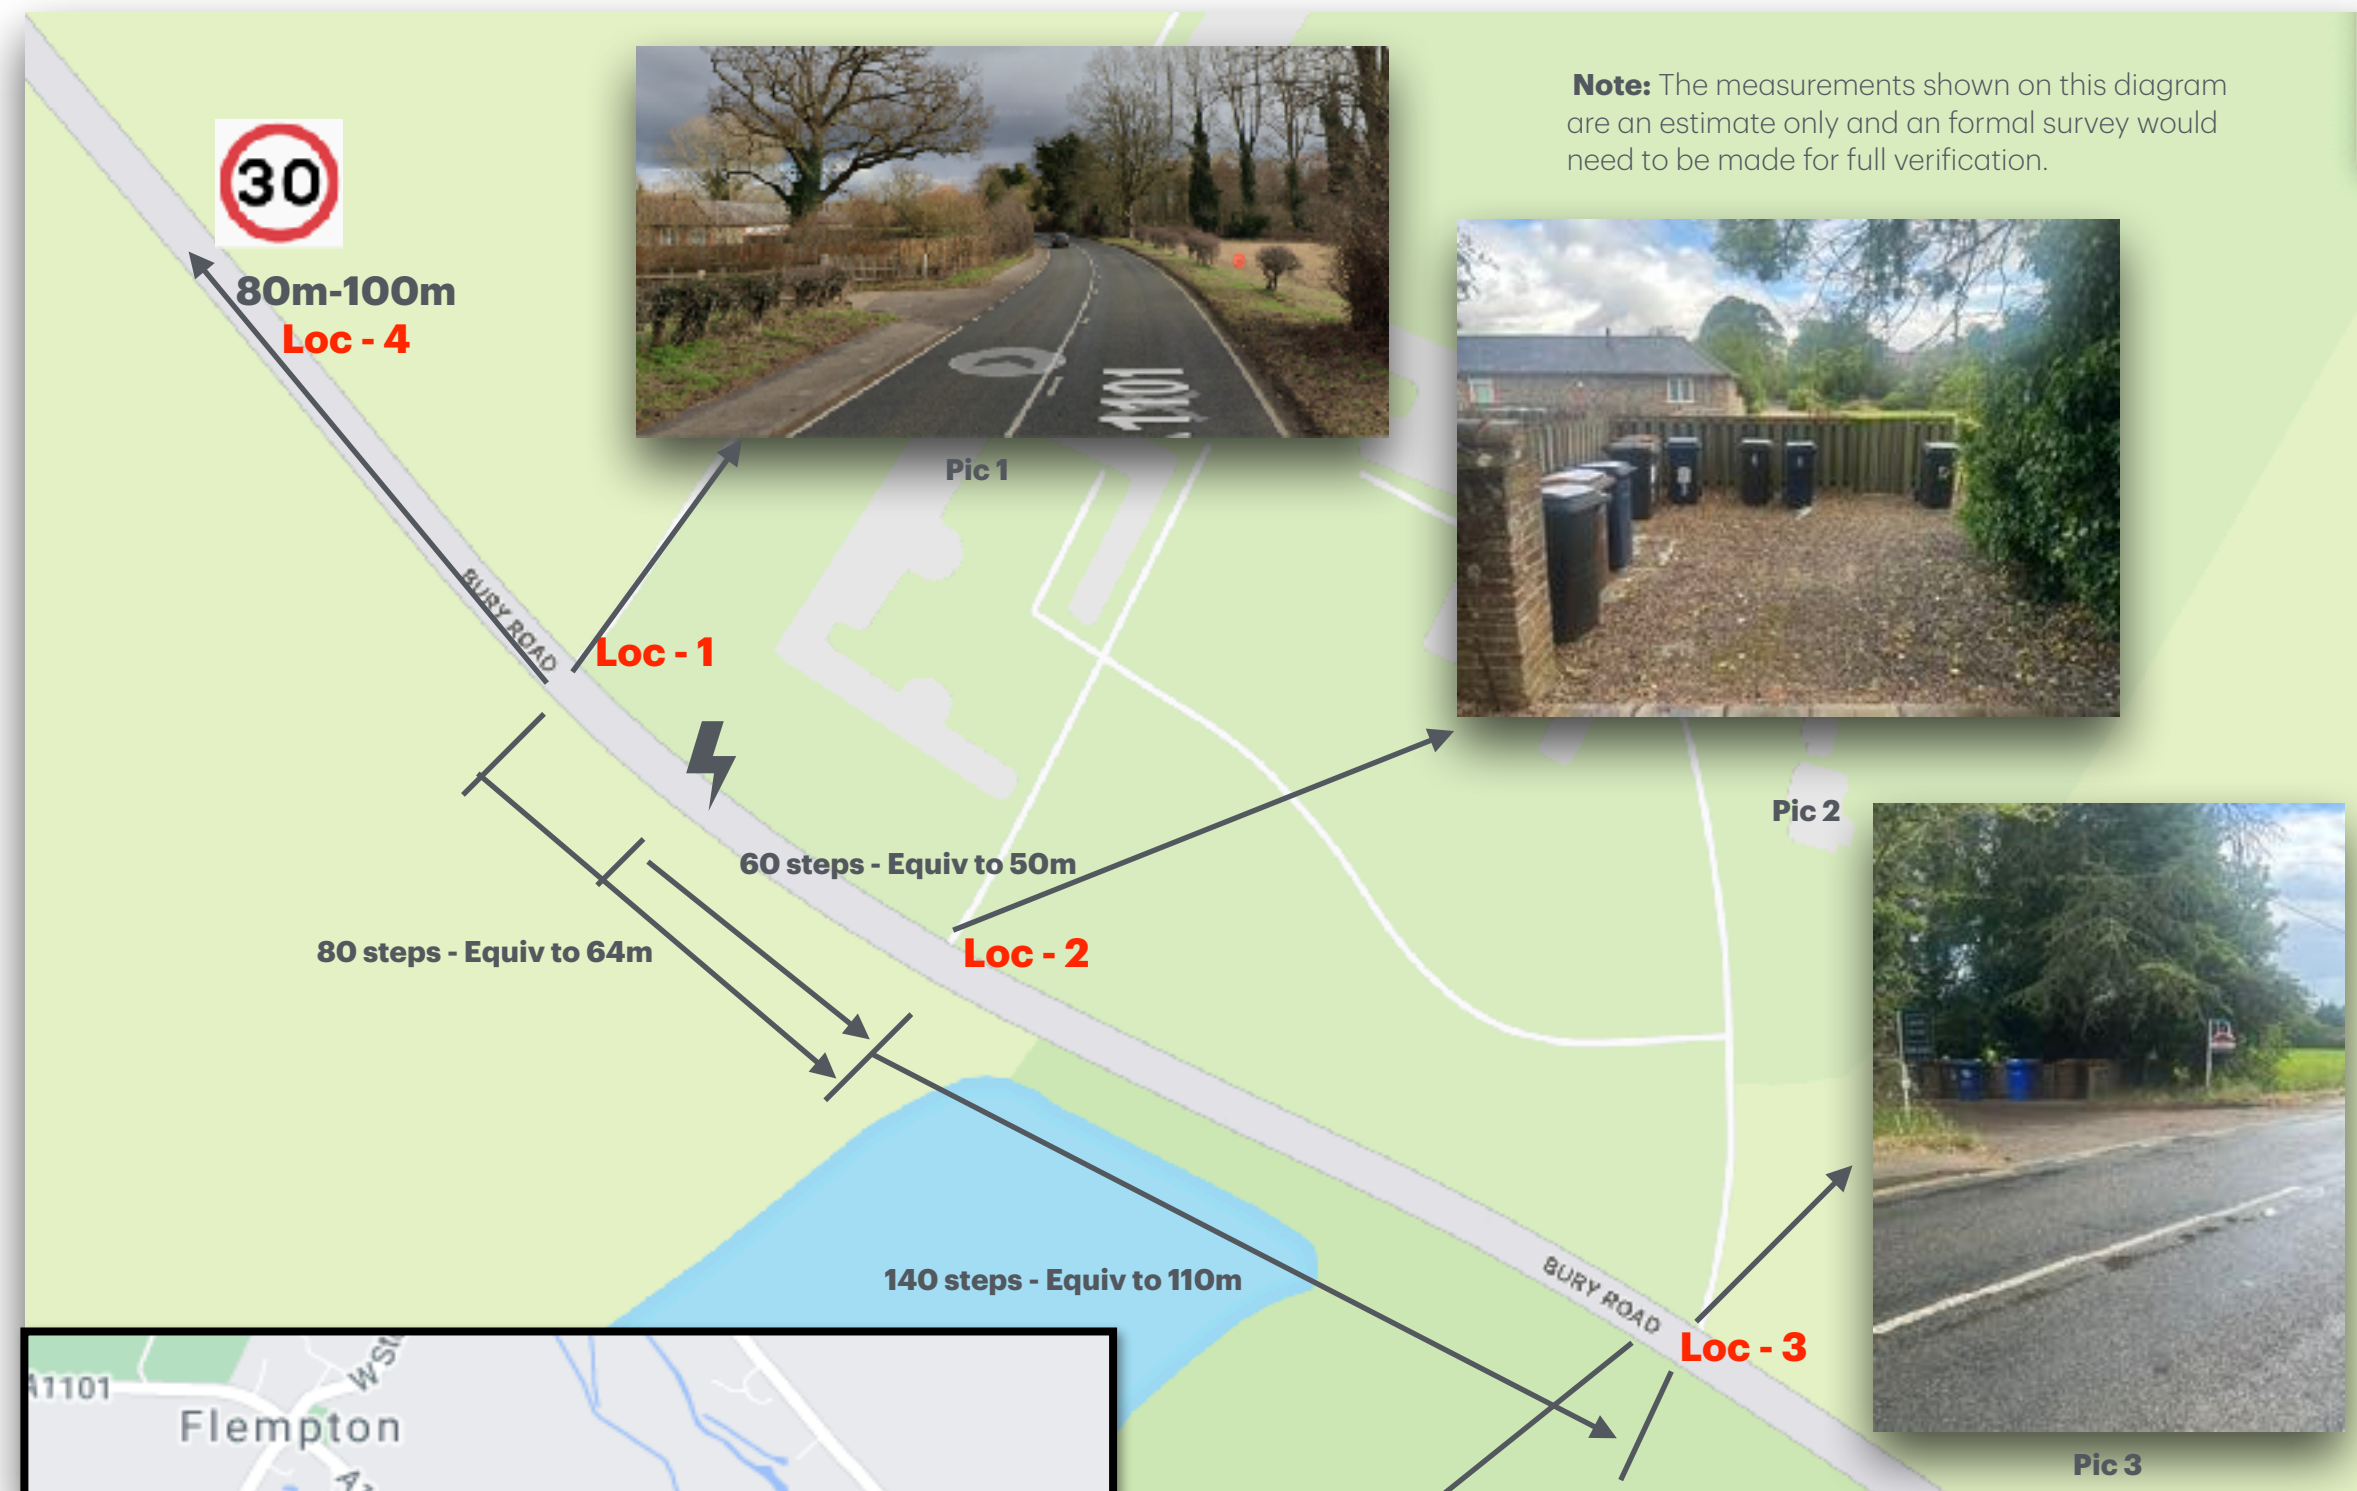

Loc 1 - Entrance/exit for filling residents heating fuel tanks and foul waste tank emptying. There is also a building business which now needs access for builders lorry deliveries and potentially heavy plant - seen on image marked with a X

Loc 2 - Location of bin stores for residents of GFB.

Loc 3 - Entrance/exit for residents and second bin store

Loc 4 - Anticipated location for start of 30mph speed limit

⚡ Probable distance from where you could reasonably see a parked vehicle

Location of speed survey taken in 2021
